SUBJECT: Proposed U.S. Bicycle Route System (USBRS 66)

Dear Mr. Benson and Mr. Moore,

On behalf of the City of San Dimas, I am writing to express our support for the designation of the proposed U.S. Bicycle Route System 66 (USBRS 66) through our community. As bicycle tourism is growing, the City recognized how this contributes to our local economy as well as its health and environmental benefits.

The City of San Dimas expresses its approval and support for the development of USBRS 66, and requests that the appropriate officials see to it that the route is officially designated by AASHTO as soon as this can be achieved. The City will permit the posting of signs within the City of San Dimas right-of-way identifying the route through the community.

Thank you for your consideration of the Caltrans application to the AASHTO for USBRS 66.

Sincerely,

A handwritten signature in dark ink, appearing to read "Emmett G. Badar".

Emmett G. Badar
Mayor, City of San Dimas
